**RESPONSE AND AMENDMENT**

Commissioner for Patents  
Washington, D.C. 20231

Sir:

**RECEIVED**

**APR 23 2003**

**GROUP 3600**

**INTRODUCTORY COMMENTS**

This is an Amendment and Response to an Office Action dated October 15, 2002 (Paper No. 4). Claims 1-6 have been rejected under 35 U.S.C. §112 as being indefinite. All of the claims are amended by this Response and Amendment to overcome that rejection. All the claims have been rejected under 35 U.S.C. §103(a) as being unpatentable over Detore et al. in view of Fernholz. Arguments have been advanced in the Remarks Section of this Response and Amendment to overcome that rejection.

**AUTHORIZATION TO DEBIT ACCOUNT**

It is not believed that extensions of time or fees for net addition of claims are required, beyond those which may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required therefor (including fees for net addition of claims) are hereby authorized to be charged to Deposit Account No. 20-0778.
